

WAYS & MEANS REPORT

A BIG THANK YOU to everyone who donated items, helped set up and priced, worked at the sale and cleaned up. Our Spring garage sale was a great success and we made almost \$1,500.00 for our treasury. But as I pointed out at our April meeting, that amount is needed to pay the utilities for only two winter months. We do appreciate all the support and please start saving for our next sale this fall.

Be sure to stop by the Gift Shop at the Museum if you are looking for gift ideas for all the summertime occasions: graduation, showers, weddings, etc. We always have a good assortment of pottery and afghans.

We're all looking forward to the new quilt that is being made for this year's quilt raffle. It may be on display at the Ice Cream Social, so be among the first to buy your tickets. The drawing will be held at our Victorian Tea in December.

We express our deepest sympathy to the families and friends of Wesley Baker, Florence Funk Ross, and Norris Keller, father of our Museum staff member Nancy Gillahan. They will be missed and their memories will live on in our hearts..

We sincerely thank Sally Rosenfeld, who volunteered to take on the job of Membership Chairman. The letters with the renewal of dues have been mailed and we hope everyone will send in their dues as soon as possible to make her job easier.

2007 SCHOLARSHIPS RECIPIENTS ANNOUNCED

CONGRATULATIONS AND GOOD LUCK to Stephanie Hopp who received the Nell Stroud Wallace Scholarship and to Kenneth Myers, who was the recipient of the Otto Mahler Scholarship this year, each in the amount of \$500.00. It's interesting to know that Ken's grandfather worked for Otto Mahler at Gray's Candy Kitchen years ago. We wish these two outstanding graduates of Berea High School success as they further their education.

EDITORS NOTES

Our thanks again to Jane Prindle and brother Joe, who wrote about their pet dogs and shared memories of Berea when they were growing up in the 1940's. Janey and I have been friends for 60+ years – our parents were friends and our grandmothers were friends, too.

Janey was kind enough to lend us this picture from one of her well-organized photo albums. Perhaps this was Jane's birthday party as her cousins joined the neighborhood children:

Left to right – back row: Cousin Ann Hellwick; 2nd row: Cousin Stella Hellwick, Louise Hannig, Tommy Murphy, and Jane; front row: Sharon Finnigan, Cousins Judy & De, and next-door-neighbor David Wadovick.
